

Winter Camp L Registration
A Service of the Winter Camp Future Society
Camp Agawam in Lake Orion
December 26-29, 2026

The 50th Winter Camp continues the legacy, but at a new location. While essential program elements remain, it will have a broader appeal to alumni families and friends in an inspirational setting. Camp Agawam is a former Scout Camp, now owned and operated by the Orion Township. The facilities are located at 1301 West Clarkston Road, Lake Orion, Michigan.
